

## When Gambling Becomes a Bad Bet.....

The Gamblers Assistance Program was established in 1992. Since that time, the GAP has worked to assist those negatively affected by problem gambling. The GAP contracts with individuals throughout Nebraska to provide treatment services to problem gamblers and their family members.

Below is a self survey to discover whether you or someone you know has a gambling problem:

- Have you ever lost time from work because of gambling?
- Has gambling ever made your home life unhappy?
- Have you ever felt remorse for gambling?
- Do you ever borrow to finance your gambling?
- Are you reluctant to use "gambling money" for normal expenditures?
- Does gambling cause you to have difficulty sleeping?
- Have you ever considered self-destruction as a result of your gambling?
- Do you often gamble until your last dollar is gone?
- Do you ever gamble longer than you planned?
- After winning, do you ever have a strong urge to return and win more?

(Most problem gamblers answered "yes" to at least 3 out of these 10 questions.)

## Compulsive Gambling Awareness

by Jim Haynes, Lottery Director

Gambling is a recreational activity enjoyed by the majority of adults in Nebraska. There are some, however, for whom gambling is more than recreational and is in fact addictive and destructive. The devastation to the gambler and their family is well documented. What is less known is how families can protect themselves from the devastation of gambling.

March 7 – 13, 2010, is National Problem Gambling Awareness Week, and March is Problem Gambling Awareness Month in Nebraska. Communities nationwide will be working to raise awareness of problem gambling and the resources available for individuals whose gambling is causing disruption in their lives.

Research shows that 2%-3% of the US population will have a gambling problem in any given year, yet only a small fraction seek out services, such as treatment and self-help recovery programs. Treatment for problem gambling is not only available, but is also effective in improving the lives of problem gamblers and their families.

The Gamblers Assistance Program (GAP) was established in 1992. Since that time, the GAP has worked to assist those negatively affected by problem gambling. The GAP contracts with individuals throughout Nebraska to provide treatment services to problem gamblers and their family members. More information about the Gamblers Assistance Program is located on the back page of this issue of Ticket Talk.

The Nebraska Lottery is committed to promoting responsible gaming. Every Nebraska Lottery ticket includes a play responsibly message along with the Compulsive Gambling Help Line number (800-522-4700). This information is also added to our advertising and point-of-sale materials. Over \$8.5 million in Nebraska Lottery proceeds have been provided to the Gamblers Assistance Program since 1993. Together with our retail partners, we are truly **Helping to Build a Better Nebraska.**

Starting on March 20, Nebraska Lottery players will be able to play Mega Millions, a multi-state jackpot game currently offered by 35 lotteries across the United States.

Each Mega Millions play costs \$1. Players select five white ball numbers from 1 to 56, and one Mega Ball® number from 1 to 46. To win the jackpot prize, which starts at \$12 million and grows each time it is not won, players must match all six winning numbers. Other prizes in the game range from \$2 to \$250,000. Players who choose to add the \$1 Megaplier® option have the chance to multiply their non-jackpot prizes as many as two, three, or four times.

Mega Millions drawings are held every Tuesday and Friday at 10:00 p.m. (CT). Winning numbers will be available at the Nebraska Lottery web site, [nelottery.com](http://nelottery.com), and on the Nebraska Lottery Players Hotline at 1-800-224-LUCK (402-471-6139 in Lincoln).

## Recent Winners

### Kearney Man Wins \$200,000 Powerball Prize

Mark Boyce of Kearney recently won \$200,000 playing Powerball from the Nebraska Lottery.

There were more than 19,000 Nebraska Lottery winners in the Wednesday, January 27 drawings. Among these winners was Boyce, who purchased his winning Powerball ticket at Foote Convenience Plaza, 1810 East Highway 30 in Kearney. The quick pick ticket contained all five of the winning white ball numbers (6, 15, 20, 26, 31) for \$200,000.

While claiming his prize on January 29, Boyce told Nebraska Lottery officials that he learned he had won after his mother called the Nebraska Lottery Player's Hotline (800-224-LUCK) and learned that a winning Powerball ticket had been sold at Foote Convenience. "It was 6:00 a.m. and she woke me up," he said. Boyce plans to pay bills using his winnings.

The odds of winning \$200,000 playing Powerball are 1 in 5,138,133, while the overall odds of winning any prize are 1 in 35.11.

### Lincoln Man Wins \$2,000 Playing Diamond Dash

Tom Flodman of Lincoln won \$2,000 playing the \$1 Scratch game Diamond Dash from the Nebraska Lottery.

During the holidays, Flodman's parents purchase Nebraska Lottery Scratch tickets as gifts for their children. After scratching off his tickets, Flodman took his winning tickets to Casey's General Store, 117 Main Street in Stromsburg, and purchased a Diamond Dash ticket. The ticket contained one winning "diamond" symbol with a corresponding prize of \$2,000.

There were three \$2,000 top prizes available in Diamond Dash. Flodman was the third person to claim a top prize.

While claiming his prize on January 12, Flodman told Nebraska Lottery officials that he was "amazed" after he realized that he had won the \$2,000 top prize. "My family didn't believe it when I showed them the ticket," he said. Flodman plans to share his winnings with his siblings, and also plans to purchase a new freezer using his share of the prize.

The odds of winning the \$2,000 top prize in Diamond Dash were 1 in 240,000, while the overall odds of winning any prize were 1 in 4.03.

In an effort to increase awareness and excitement for Mega Millions, we are offering the chance for players to receive a Buy One, Get One Free Mega Millions coupon when they make a qualifying Powerball® purchase.

Starting March 6 and ending on March 19, a trailer ticket will be produced on every 15th Powerball purchase across the state. The Nebraska Lottery will allocate 50,000 serialized coupons (25,000 each week) to be used as trailer coupons in this Nth ticket promotion.
